

SBL Remote Deposit for Business to the rescue!

Scan. Send. Deposit.

Remote Electronic Deposit accelerates access to your funds when you deposit checks electronically from your own place of business.

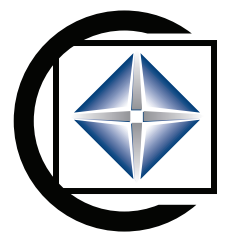

You accept payments
by check.

At your convenience
you scan the checks
with a scanner that we
provide to you.

You submit your
deposit using a secure
internet connection.

The Bank receives and
processes your deposit.

Your Benefits:

- Convenience
- Reduced Expenses
- Easy Reporting

Talk to us today about how you can experience these benefits
and simplify your business banking by making use of

SBL Remote Deposit for Business.

Our financial goals: yours.
