

Note to our valued customers

State Bank of Lizton is monitoring developments regarding the Coronavirus. Be assured that we are implementing measures to safeguard our customers, employees and ultimately our communities. We will take every precaution to do our part as good corporate citizens while ensuring the same great service you are accustomed to.

We have implemented rigorous disinfecting of our work spaces, teller counters, keypads, and ATM screens, and we provide hand sanitizers at all locations. We are here to help you in every way possible.

If you've been affected by COVID-19 and need help with your account, please call us at 866-348-4674 to learn how we might help.

For your convenience, you may choose to use our convenient drive-through facilities for everyday transactions.

Or go online! We also want you to have confidence that you can bank virtually anywhere, anytime with us by using our SBL Online Banking and our mobile app. With either of these solutions, you can see and update your account information, see balances and transactions, transfer between accounts, and make payments. With our mobile app you can also deposit checks by using your phone camera. You can also open new deposit accounts, mortgage or other loans online!
